

STAKEHOLDER HUI EVALUATION TOOL

HE PIKINGA WAIORA IMPLEMENTATION FRAMEWORK

Thank you for your contribution to this hui/workshop. Answers to this questionnaire will be used to evaluate the strengths and weaknesses of the methods we have used in the hui/workshop.

Section 1

1. How useful was this hui/workshop for you? Please tick appropriate box.

Not at all useful Not very useful Neutral Somewhat useful Very useful

a. What are 3 ways it was useful?

2. What is the thing you liked best about this workshop?

3. What is the thing you liked least?

Section 2

Workshops can achieve a number of different purposes (although no one hui/workshop can achieve all purposes). Please help us to understand what purposes were achieved in this workshop by answering the following questions organised around 3 different categories.

To what extent do you agree or disagree with the following statements? Please tick appropriate box.

<u>Statement</u>	Not at all	Small extent	Moderate extent	Great extent	Very great extent	Complete extent
<i>Understanding about the System and Big Picture</i>						
1. Participation in this hui has helped me to recognise that there are many different points of view on pre-diabetes/diabetes.						
2. Participation in this hui has helped me to gain a better idea about different influences on pre-diabetes/diabetes.						
3. Participation in this hui has helped me to think more clearly about positive and possible changes.						
4. Participation in this hui has helped me to express my own 'cultural' viewpoint (i.e. as Māori, Pākehā, other ethnicity).						
5. Participation in this hui has helped me to see the complexity of the issues.						
6. The intervention we are developing targets changes at multiple levels.						
Any other comments about understanding the big picture?						

<u>Statement</u>	Not at all	Small extent	Moderate extent	Great extent	Very great extent	Complete extent
<i>Engagement & Participation</i>						
1. The discussion in this hui built on resources and strengths in the community.						
2. This hui emphasizes what is important to the community (culture, environmental and social factors) that affect wellbeing.						
3. Suggestions I made within this hui were seriously considered.						
4. This hui allowed us to communicate in a respectful manner.						
5. To what extent has the hui involved the end users of the intervention?						
6. To what extent have the barriers and facilitators for adoption been considered for this intervention?						
7. To what extent have relevant stakeholders been included in the development of the intervention?						
Any other comments about engagement & participation?						
<i>Outcomes</i>						
1. This hui helped us develop an intervention that is largely supported by those who participated.						
2. This partnership has the ability to bring people together for meetings and activities to further develop the ideas we have created in this hui.						
3. The partnership has connections to relevant stakeholders to effectively implement the ideas we have created in this hui.						
4. I am satisfied with the intervention we have developed (or are developing) in this hui.						
Any other comments about outcomes?
